Pro-Cut's recent partnership with O'Reilly's Auto Parts marks Pro-Cut's third partnership with a major US distributor in three years.

PRO-CUT PARTNERS WITH O'REILLY AUTO PARTS FOR NATIONAL DISTRIBUTION

West Lebanon, NH

Pro-Cut is pleased to announce the addition of yet another major US distributor partnership — it's third in three years — with O'Reilly Auto Parts, based in Springfield, MO.

O'Reilly Auto Parts has a strong record of bringing top-quality equipment to the auto service industry through their 47,000 employees and more than 3,600 retail locations across the USA. O'Reilly currently operates in 39 states, most in the South and Midwest.

"We continue to seek strong partners to help us reach the independent market, and O'Reilly's has a very strong network focused especially on this market segment. We're excited to have them as a partner and expect good things for both companies out of this relationship," says Bruce Prince, VP National Accounts.

Pro-Cut International is the world leader in on-car brake lathes. The company is located in West Lebanon, NH.
