Pro-Cut Wins Best Product Award at Lubtech

West Lebanon, NH

Pro-Cut Europe was recently awarded "Best Product 2012" at the Lubtech Trade Fairs in Poland. Of the hundreds of vendors and products at the show, the Pro-Cut PFM 9.0 on-car brake lathe impressed the judges the most.

"Our European Pro-Cut team works extremely hard in both their local markets and with OEM's across the continent, and demand for the Pro-Cut lathe has grown steadily," said VP Export Dwight O'Hara. "This Lubtech award is further validation of both our product and their efforts."

Congratulations to Pro-Cut Europe!
