Machining Rotors on the Dodge Dart and Fiat 500

Attaching the Pro-Cut lathe to these 4 and 5 lug vehicles is easy, but you need a few additional part to accomplish this:

- * Part #50-179 - Lug Nut Kit with M12 x 1.25 lug nuts
- * Part #30-687 - Set of Studs (not part of the lug nut kit)
- * Part #50-687 - 4 Lug Direct Fit Adapter
- * Part #50-688 - 5 Lug Direct Fit Adapter

The studs are inserted into the hub; the adapter is put on and held into place with the M12 lug nuts.

Other vehicles this applies to: 2014+ Jeep Cherokee & 2015+ Chrysler 200

50-179 Lug Nut Kit

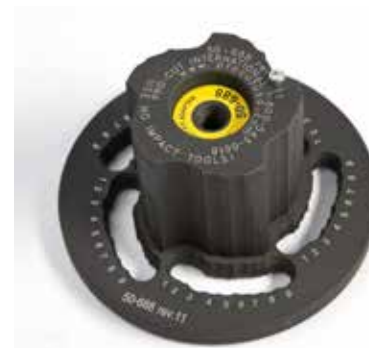

Contact the Pro-Cut Service Department at 800.543.6618, Prompt #2, with any questions.

30-687 Set of Studs

50-687 4 Lug Direct Fit Adapter

50-688 5 Lug Direct Fit Adapter
