50-2703 AND 50-2744 CHIP DEFLECTOR UPDATE

For Immediate Release:

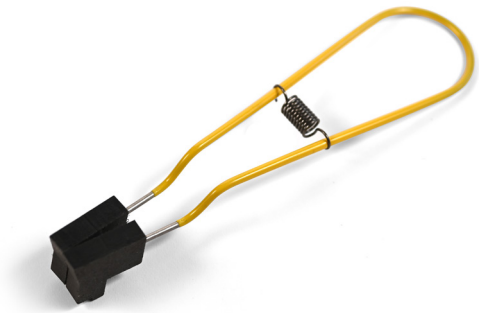

All previously available chip deflectors/silencers are being replaced by the 50-2703 (thin pads) and 50-2744 (thick pads).

50-703 50-703C 50-770 50-2703 *(GRAY)*

50-744 50-754 50-733 50-771

50-2703

Standard Chip Deflector (THIN)
Replaces 50-7703, 50-703C, 50-770 & 50-2703 *(GRAY)*

50-2744

Universal Chip Deflector (THICK)
Replcaces 50-771, 50-733,50-744 and 50-754

NOTE: 50-2703 & 50-2744 Chip Deflectors are universally compatible with all rotors and designed for all Pro-Cut cutting heads. Determine use based on caliper bracket position, rotor thickness, clearance restrictions, etc.
